

*Southwestern Office Systems  
Attention: Greg Perry*

*Greg,*

*As you know we acquired two of the Panasonic C3 series color copier/printers offered by the Southwestern Office Systems RE/MAX special, over the past year. I can say that your promise of great copy quality, great service, a simple accounting system, to track our agents use, and a tremendous copy/ print savings over the network printers we were using.*

*Your promise of help with setting up our network printing and scanning was kept, and we found your staff helpful.*

*I would recommend Southwestern Office Systems and the Panasonic RE/MAX plan as a solution for low cost, high quality color copies, prints and scanning for other RE/MAX of Texas members.*

*Best regards,*

*Sam Ferreri, RAA  
President*
